WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — IMMEDIATELY discontinue use and consult your physician before resuming play.

USE OF UNOFFICIAL PRODUCT

The use of unofficial products and peripherals may damage your PlayStation game console and invalidate your console warranty.

WARNING TO OWNERS OF PROJECTION TELEVISIONS

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION DISC

- This compact disc is intended for use only with the PlayStation game console.
- Do not bend it, crush it, or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use.
- Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from the outer edge. Never use solvents or abrasive cleaners.

Saving Data

You must insert your MEMORY CARD before you save or load a file. NCAA Final Four 2001 saves user-defined options and all data for Seasons, Tournaments, Records, Roster Changes and Recruits. Three blocks of memory must be available on your MEMORY CARD in order to save game data and user-defined options, while only one block of memory is needed to save user records. If you don't use a MEMORY CARD, all NCAA Final Four 2001 data will be lost when you turn off your PlayStation game console.

MULTI-PLAYER GAME

Adding a Multitap allows you to play up to a five-player game. With two Multitaps, up to four users (eight players total) can play on each team.

NOTE: When using the Multitap, at least one controller must be connected to Controller Port 1-A or 2-A.

Quick Start

Quick Start Games allow you to start an Exhibition game quickly without any set up. Teams are selected for you. All you have to do is select one of the predetermined teams and you're all set. If you decide after selecting Quick Start that you would prefer to set up your game format:

- Press  from the Controller screen to go back to the Main Menu.

CONTROLLER

Choose a team and configure your controller for the game.

- Press the Left/Right Directional Buttons to choose a team.
- Press  to configure your controller by setting different offensive and defensive game controls.
- Press the Up/Down Directional Buttons to highlight a game action.
- Press the Left/Right Directional Buttons to switch the action button symbol with that of a different action button symbol. If after you make changes to your controller setup you decide to use the default settings, press .
- Press  to accept the new configuration or press  to cancel.
- Press  to move to the Touch Shooting screen.

TOUCH SHOOTING

Touch Shooting allows you to control a player's shooting ability. The use of a shot meter will make your player into a successful jump-shooter from anywhere on the court. To give yourself the best chance at making a shot:

- Hold  to start the shot.
- Watch the red bar rise on the shot meter.
- Release  at the yellow triangle on the shot meter to hit the shot.

NOTE: If a green layer at the top of the shot meter is not visible, your player is out of range for his skill level.

Select Game

EXHIBITION

Exhibition games allow you to play a game with any of the teams from the NCAA Division I-A. Get a feel for the speed of the game and the players on the court. Exhibition results are not recorded in Season standings and cannot be saved to the MEMORY CARD.

EXHIBITION TEAM MATCHUP

Here's where you choose the teams for your game. Use the overall team ratings shown below the team logo to help with your team selection. The higher the number, the better the skill level.

- Press  to select Home or Away.
- Press the Left/Right Directional Buttons to choose a team. Press L1/R1 to cycle alphabetically through the teams.
- Repeat these steps to make a selection for the opposing team.
- Press  to accept the team matchup and bring up the Controller screen.

CONTROLLER

See Controller on page 8 for more information.

TOUCH SHOOTING

See Touch Shooting on page 9 for more information.

NEW SEASON

Enjoy the challenge of playing an entire Season. If your team wins enough games, at the end of a Season, it will join the field of 64 teams making a run at the NCAA Championship. Your goal is to win your Conference championship to earn a top seed for the Tournament. See Quick Start on page 8 for more information on setting up a game.

SELECT TEAM

Select a team for your season.

- From CONFERENCE, press the Left/Right Directional Buttons to choose a Conference. To select a team from the entire field of NCAA teams, make the selection ALL.
- Press the Down Directional Button to SCHOOL and then press the Left/Right Directional Buttons to choose a team.
- Press the Up/Down Directional Buttons to select a game on the schedule. You can simulate any game on the schedule by highlighting a game date and pressing . This will simulate that game and all games prior to it. Once a game is simulated, it cannot be replayed.
- Press  to play a game. In a multi-player game, this will bring up the Controller screen. See Controller on page 8 for more information.

NEW TOURNAMENT

Bypass the regular Season and jump straight into the NCAA Tournament. There are four regional brackets that make up the 64 teams competing for the National Championship. See Quick Start on page 8 for more information on setting up a game.

TOURNAMENT

The Tournament screen shows the tree of matchups for each round. Keep the matchups or customize your own Tournament by changing the teams within the brackets. You also have the option to simulate a Tournament.

To make changes to the Tournament setup:

- Press  to select the tree map.
- Press the Directional Buttons to navigate through the tree map to select a particular Region.
- Press  to switch control back to the team list.
- Press the Up/Down Directional Buttons throughout the region to highlight a team.
- Press the Left/Right Directional Buttons to choose a different team from the list of unseeded teams.
- When finished making changes, to play a game, press the Directional Buttons to a team matchup and press  to bring up the Controller screen. See Controller on page 8 for more information.

NOTE: You will be locked into this tier of the Tournament tree throughout the Tournament.

CONTINUE

Continue a Season or Tournament at the next scheduled game. To use the Continue option, you must have already started a Season or Tournament or loaded a previously saved Season or Tournament from a MEMORY CARD. See Saving Data on page 3 for more information. Also, see New Season on page 10 or New Tournament on page 11 for details of how to set up these games.

ARCADE

Arcade is an Exhibition game that allows you to play at a faster pace with exaggerated special moves.
